

Every night when Sophia goes to sleep, she insists to her parents there's a monster under the bed, and every night they tell her it's all in her head. But what happens when Sophia musters up the courage to check under the bed herself and find something out of the ordinary? Is this monster under her bed friend or foe? Is it even a monster at all? Follow Sophia under the bed to find out!

What's Under The Bed - Brynn Paccione
